

Scavenger Hunt Instructions

Choose a team name and a team leader (one of the moms). The team leader is responsible for taking all photos and uploading them to the Google Drive. Each team will be awarded points based on the scoring system below. The team with the total number of points will win the grand prize! **The keys to winning are humor and creativity!!** You'll get more points per picture if you're extra funny and creative with each! To score points, you and your team must take a picture of the things listed below. The order in which you go from item to item is up to the team as a whole. **Be sure to upload the pictures as soon as your team is done.** **Please do not take any videos as they will take too long to upload.** Meet at The Whole Scoop on the East side of the street near the Gas station when you're done or by 3:00 p.m. – whichever comes first.

3 points for each of the following:

- St. Patrick's Catholic Church
- Pig outside of Hog Pit BBQ
