# DON BOSCO SCHOOL BIRATNAGAR, NEPAL

### Help Students at Don Bosco School in Biratnagar!

Nepal, a beautiful country with tall mountains and deep valleys, recently had some very heavy rain that lasted for three days. This caused rivers and streams to overflow with water, creating floods that affected many people's homes and neighborhoods.

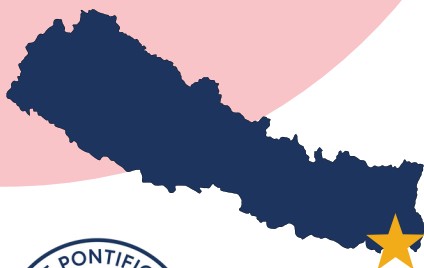

**Fun fact: Nepal is home to the world's highest mountains, including Mount Everest.**

The floods have caused extensive damage, including the destruction of 54 schools, depriving more than 10,000 children of access to education.

Luckily, Don Bosco, very special mission school in Biratnagar, Nepal survived the floods, but this school still needs help from the Missionary Childhood Association. This school helps children in communities that suffer socially and economically, with parents who cannot afford tuition.

Don Bosco is a great opportunity for these students because it provides extra learning time for those who are falling behind, they not only instruct them in the classroom but also work with the families, and they do this for all 245 of their students!

**The school wants to make sure that every child, no matter where they come from or how much money their family has, gets a chance to learn, make friends, and follow their dreams!**

## Prayer for Schools in Nepal

Dear Lord, You fill our hearts with compassion for the children in Mission schools. We ask that You bless them with the resources they need to learn and grow. May they feel Your love, and may they be inspired to reach for their dreams despite the challenges they face. May our actions reflect the love of Christ, as we strive to make a difference in the lives of those who are less fortunate. In Your holy name, we pray. Amen.

## Reflection Activity and Sacrifice:

### Create a "Change for Change & Children Helping Children" Jar

- Decorate a jar for collecting spare change using the colors of Nepal's flag, also the color YELLOW, to reflect ASIA on the World Mission Rosary.
- Set a class goal of \$245, that is \$1 for each student that attends the Jon Bosco School.
- Throughout the month, try and learn more about the country and culture of Nepal, maybe even learn a few simple greetings in Nepali!
